Rugby School Thailand

Creativity is one of the most sought after skills by employers and the creative industries are one of the fastest growing economies worldwide. In art a popular subject choice for students and opportunities to develop artistic skill and engage creatively play a vital role in the school curriculum. Our goal within the senior art department is to support and guide students towards discovering their creativity and help them to develop skills across a wide range of media, materials and processes. In addition to developing artistic talent, Art teaches students skills such as problem solving, concept development, organisation, time management and teamwork.

Our select group of art scholars play an important role in the department and within the school as a whole – they act as role models to other students and showcase what can be achieved when talent is combined with motivation and commitment.

We expect our scholars to:

- Maintain a minimum average diligence grade of 27 in all subjects.
- Achieve consistently good attainment and diligence grades in art.
- Uphold the values of RST and be an excellent role model to other students in all aspects of school life, but particularly in their approach to commitment in art.
- Involve themselves fully in the co-curricular provision for art, in most cases, to study art at GCSE/A Level.

Scholarships are reviewed annually.

Scholars Programme
All scholars follow a tailored programme.

All Scholars will benefit from:

- Taking part in the Scholar Showcases.
- A variety of events which bring together Scholars from each area. These events may include a formal dinner, symposium or trip.
- Collaborating with fellow Scholars from their subject areas to create an assembly presentation once a year.
- The opportunity to undertake an independent research project and to disseminate their findings to other Scholars in their subject area once a year.

Art scholars will benefit from:

- Public exhibitions of their work and tuition in curatorial.
- Opportunity to attend arts based workshops and talks.
- Support with developing their portfolio.
- Leading House Art representing the House South.
